## 2009 Wedding Photography Rates

### My kind of service...

- A photojournalistic style of photography, done in a relaxed professional manner;
- Complimentary retouching of Bride & Groom portrait;
- All images posted online for six months on the Event Pages at [www.ADKPictures.com](http://www.ADKPictures.com), where it's easy for family & friends to view your pictures and buy prints at reasonable prices;
- All images files are provided to the Bride & Groom, high-resolution, on disc w/ index cards;
- You have the freedom to do as you wish with your images because **you** own them.

### Your choices...

- **Public or Private Web Pages?** • **Digital or Film photography?** • **CD's or Prints ?**

*Let's discuss all the options, so you can choose what best suit your needs and lifestyle.*

### The right equipment...

Digital images are captured on top-of-the-line Nikon D300 and D2x cameras. Images are delivered on CD, with large high-resolution files for prints and smaller low-res web files. The web files are posted on a public or private website for easy access. Photoshop adjustments and editing are available for an additional charge.

Film images are captured on top-of-the-line Nikon cameras and Kodak film. All images are printed, scanned & burned to CD and you get everything: 4x6 prints with index cards, CD's with index cards and the original negatives numbered and labeled. Film photography averages one roll of film per hour. (36-38 exposures/roll)

### Pay by the hour...
